

# QISADA ISTAROWGA QALLOOCAN

Sanadki 1937, Joseph Friedman wuxuu hindisay istarowga la qalloocin karo si uu uga caawiyo gabadhiisa yar inay si sahlan u cabto milkisheegeeda. Isbitaalada ayaa si degdeg ah u qaatay hindisihiisa sababtoo ah wuxuu sahlay wax cabista qofka sariirta saaran ama qaba naafada. Ma ka fikiri kartaa waxyaabo kale oo maalinle ah oo loo hindisay in nolosha loogu fududeeyo dadka qaba naafada?

Ma ogayd in sheeyaasha maalinlaha ee aan maalin kasta isticmaalno, sida meelaha qarqarka ee wadada ka bannaan, burushyada ilkaha ee elektaroonigga ah, kiiboodhyada, shaashadaha salaaxa iyo buugaagta maqalka, marki hore loo hindisay dadka naafada ah.

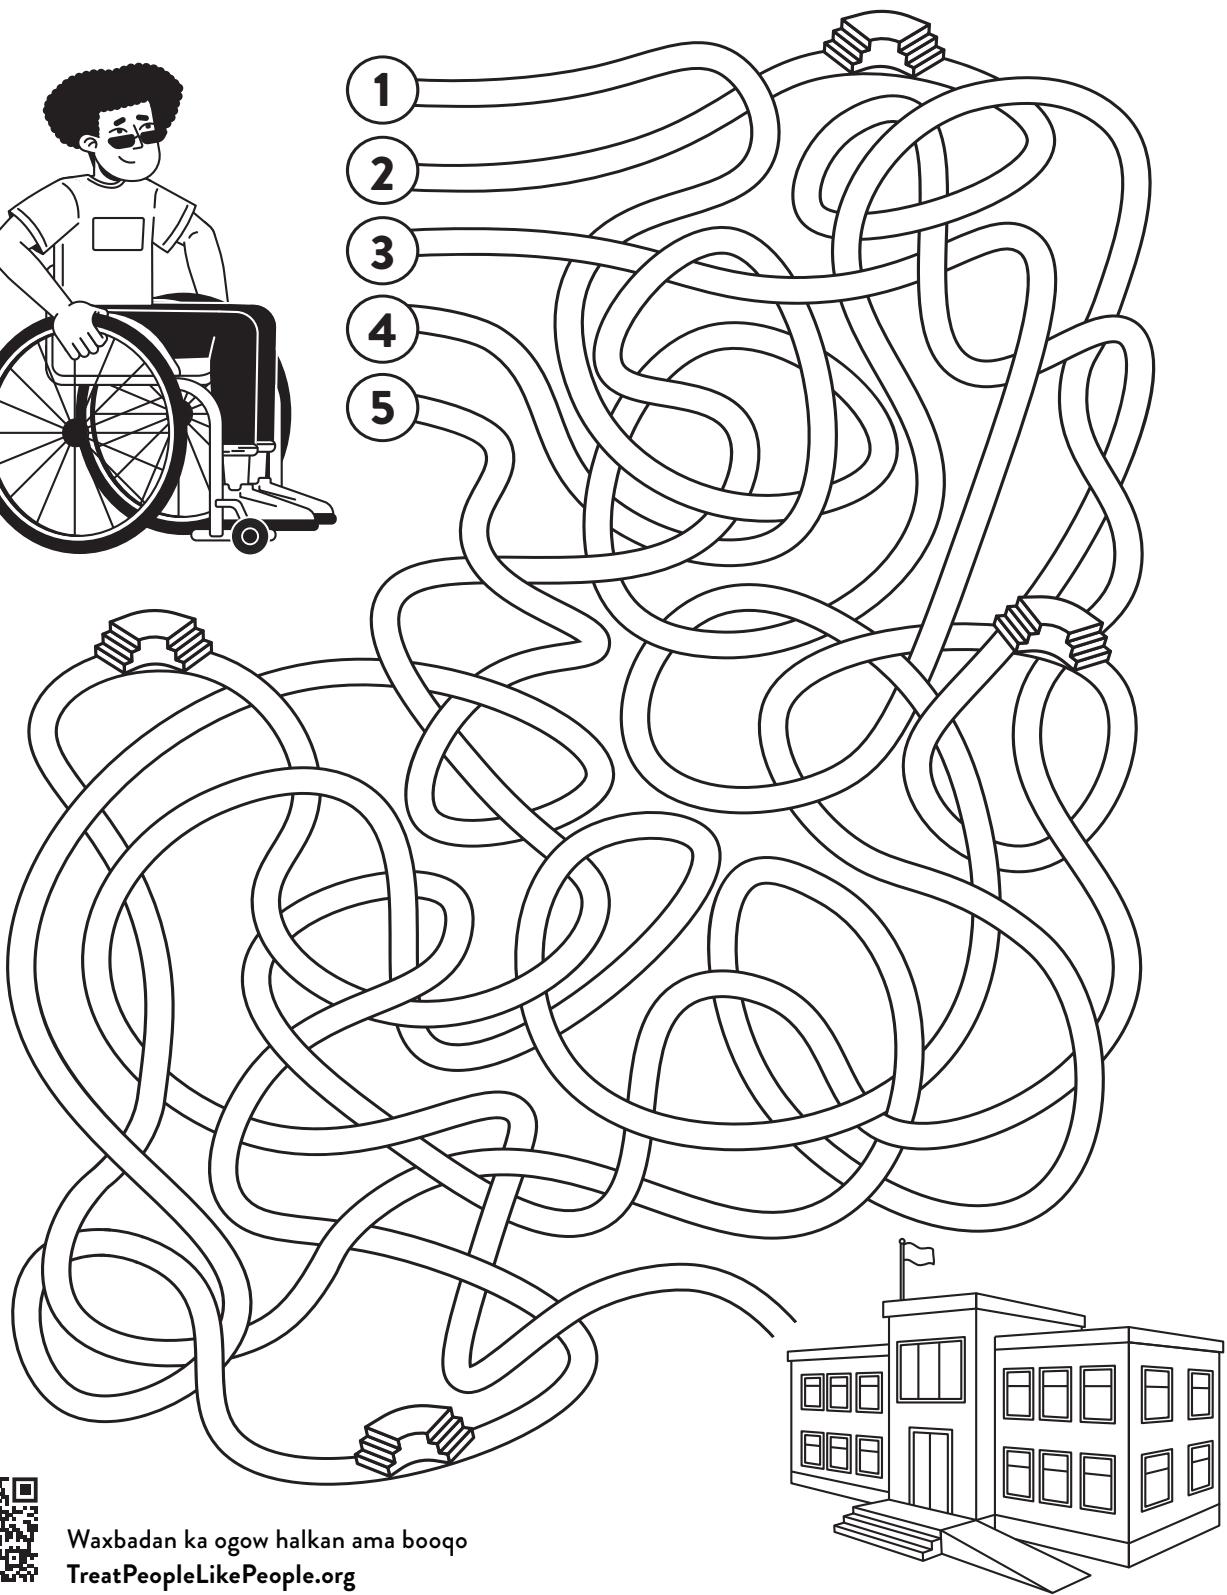

# DUGSI KUAADISTA KURSIGA CURYAANKA

Ma ka caawin kartaa Braxton inuu dugsiga aado? Ogow in kursigiisa curyaanka ee fiican uusan kor u kori karin jaraanjarooyinka ama qarqarrada wadada.

# HEL KALA DUWANAANSHAHA

Isbeddelada yaryar waxay saamayn wayn ku yeelan karaan nolosha dadka naafada qaba.  
Ma ka soo saari kartaa saddex waxyabood oo waxtar leh oo ku jira sawirka hoose?

Jawaaabaha: 1. Meel dargarka wadda ka banan. 2. Meel taagga lage fuule iyo siido kale jarraanjarooiyin. 3. Furaha albaabka ee elektronigash.

## Sida loo ciyaaro

Akhri jawaabta ku taasha dhanka hore oo carruurtu hala yimaadaan su'aasha—sida bandhigga ciyaarta, Jeopardy. Iisticmaal xamaasadda carruurta si aad u dhaliso wada-sheekeysi ku saabsan naafooyinka, kala duwanaanta, iyo u-wada-dhannaanshaha.

Aaladani waxay ka caawisaa  
dadka aan socon karin inay ku  
socdaan si sahlan.

Dareenkani waxaa la saameeyaa  
marka qofka uu indho la' yahay.

Ereygani micniihsu waa xaqijinta  
inuu qof kasta ku biiro, badbaado  
dareemo, loolana dhaqmo si naxariis  
leh—iyadoon loo eegin waxa uu u  
eg yahay, sida uu u eg yahay, sida  
uu u hadlo, waxa uu samayn karo  
ama waxa uusan samayn karin.

Waxaad muujinaysaa waxan  
marka aad ula dhaqanto dadka,  
dareemadooda, fikradahooda, iyo  
booska gaarka ah si ay ku jirto  
naxariis, daryeel, aqbalid.

Marka dadku ay ka kala  
yimaadaan asalo badan iyo lixaad  
kala duwan.

Waxaad tani muujinaysaa marka  
aad caawiso arday aad isku  
fasal tiihin oo ku dhibtoonaya  
hawlaha qaar.

Xafiiska Gardoonka ee Caafimaadka Dhimirka iyo Nafooyinka Koritaanka isagoo kaalmo ka helayo **Golaha Guddoomiyaha Gobolka ee Nafooyinka Koritaanka** ayaa bilaabay ololahan wacyigelinta dadweynaha ee loogu talagalay in lagu baraarujiyo dadka qaba naafada iyo qoysaskooda iyo dadka masuulka ka ah, iyo dadwaynaha guud oo ku saabsan sida loo aqoonsado, loo sheego loogana hortago ku xadgudubka dadka naafada qaba. Ololuhu wuxuu bidhaaminaya qaamahay uu leeyahay iyo qadarinta uu mudan yahay qofkasta oo qabo naaf. Waxaan dhammaantood uga mahadcelinayaa deeqsiniimada wakhtiga ay ku bixiyeen in ololahan uu noqdo mid dhab ah.

# SIDA LOOGALA HADLO CANUG WAX KU SAABSAN Khibradada Aad u Leedahay Naafo ama Xaalad

Buuxi meelaha bannaan si aad u sheegto sheekadaada.

Waxaan garanayaa qof lagu magacaabo \_\_\_\_\_. Waxay qabaan naafso la yiraahdo  
magaca qofka

\_\_\_\_\_, taasoo ka dhigan inay u baahan karaan \_\_\_\_\_.  
magaca naafada ama xaaladda qalabka, aaladda, ama taageerada

si looga caawiyo inay sameeyaa waxyaabaha sida \_\_\_\_\_.  
waxqabadka ama hawsha

Inkastoo ay u sameeyaa waxyaabaha qaar si kale, waxay xaqiiqdi ku fiican yihiin \_\_\_\_\_.  
hawsha ama xiisaha  
waxayna jecel yihiin inay \_\_\_\_\_. Waxay ila tahay inay taasi qurux badan tahay  
wax madadaalo ah oo ay jecel yihiin  
\_\_\_\_\_.  
[sifo wanaagsan]

Mararka qaar dadku waxay u maleeyaan in aad dadka ka duwan tahay inay xun tahay, balse waxay  
ila tahay kala duwanaanshiyaasha waxay naga dhigaan \_\_\_\_\_. waxayna naga  
sifo wanaagsan  
caawiyaan inaan barano \_\_\_\_\_.  
wax aad leedahay ama laga baran karo qof naafso qaba

Haddii qof uusan fahamsanayn naafso, waxaan ugu sharixi karaa anigoo oranaya,

\_\_\_\_\_. Oo haddii qof uusan naxariis Lahayn, waxaan  
sharraxaad naxariis leh oo lagu sharraxay ereyo ay fahmi karaan carruuta  
awoodaa \_\_\_\_\_.  
tallaabo aad qaadi karto si aad ugu istaagto ama u caawiso

Qofkasta wuxuu mudan yahay inuu ka tirsanaado, haddii uu adeegsado \_\_\_\_\_.  
qalab socodka caawiya, aalad wada-xiriir, iwm.  
ama wax u barto si kale. Sida ugu wanaagsan ee saaxiib wanaagsan lagu noqdo waa in

\_\_\_\_\_. iyo \_\_\_\_\_.  
habdhaqan ama niyad naxariis leh tallaabo kale oo u-wada-dhannaansho ah

Waxaan ku faraxsanahay in qofkasta uu ka duwan yahay qofka kale— taasina waa waxa adduunka ka  
dhiga goob xiiso iyo daryeel leh!
