

PRINT YOUR OWN YARD SIGN

Show your support and share the Treat People Like People message with this quick and fun DIY project.

You'll need:

- A printer
- Cardboard
- A craft knife or a pair of scissors
- Glue
- Paints, crayons, colored pencils, or markers
- A stake (optional)

Instructions:

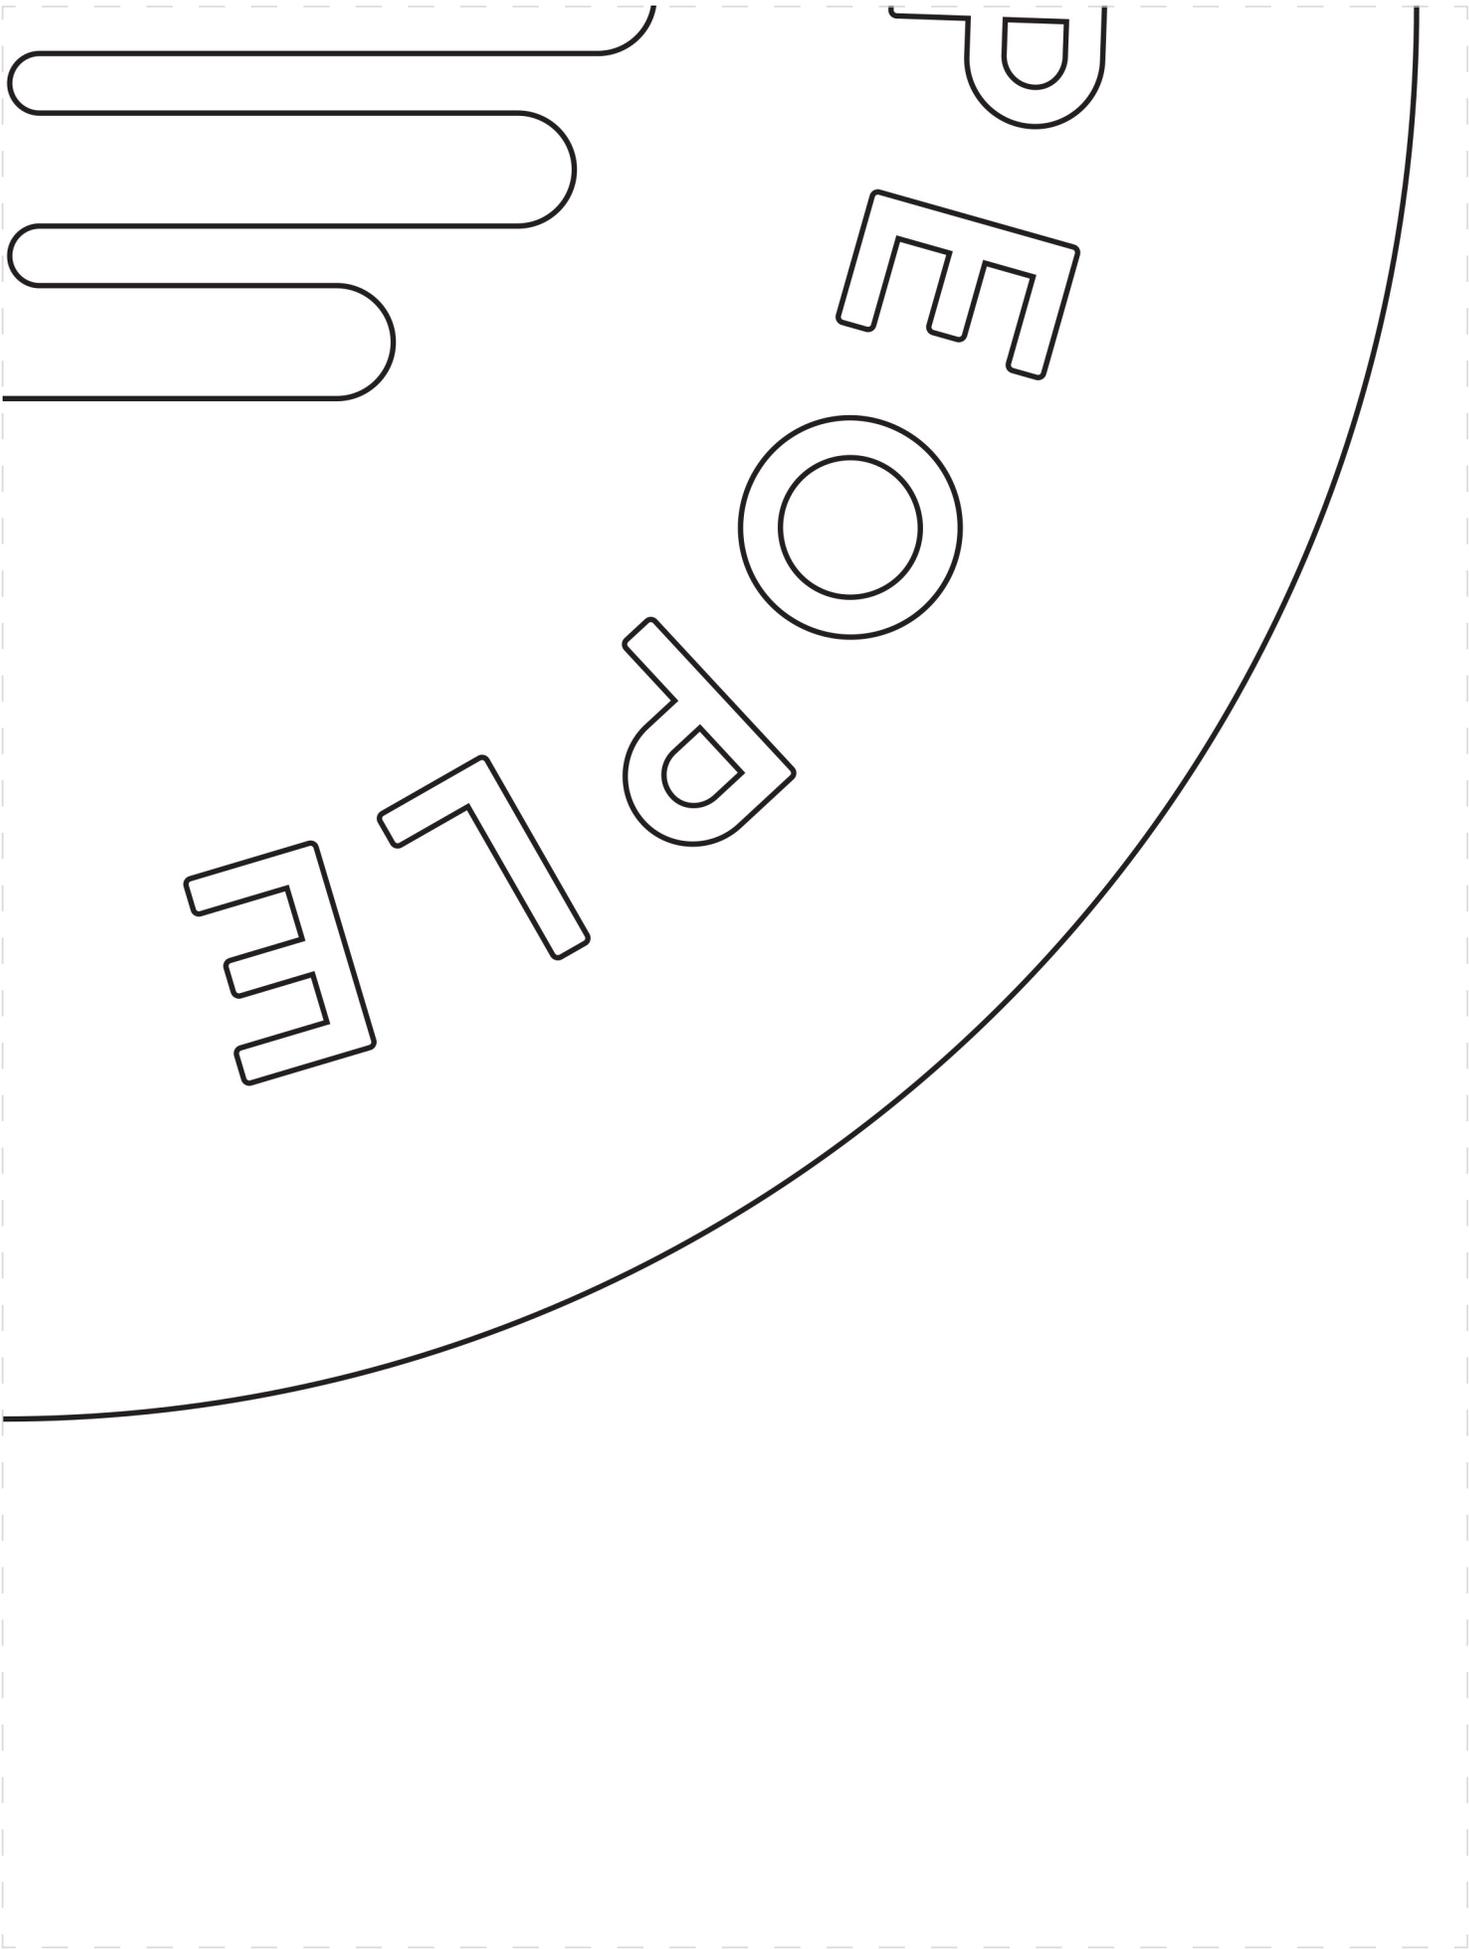

1. Download and print this PDF
2. Trim along the dashed line
3. Glue the four panels on a piece of cardboard or another sturdy material
4. Let your creativity take over and color in the logo
5. Add a stand, e.g., a 1x2 stake from the hardware store
6. Hang the sign in a window or add a stand to put it in the front yard
...and you're done!

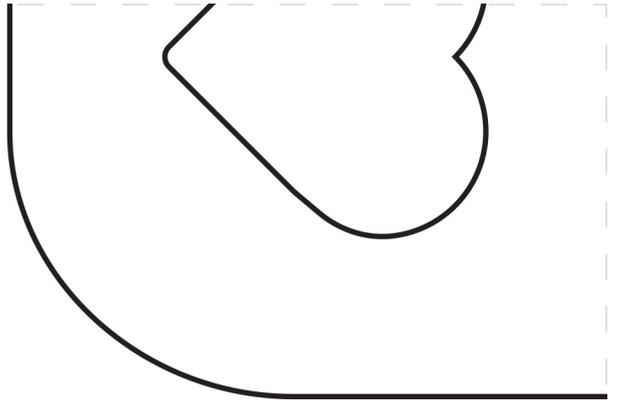

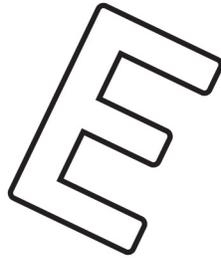

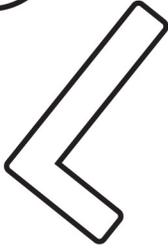

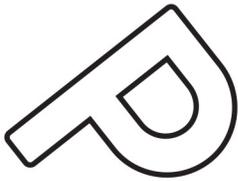

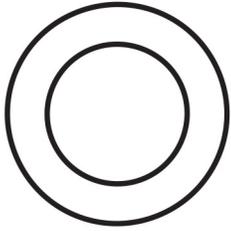

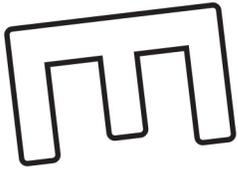

Not a DIY person? You can download the design file below and have your sign printed at a copy shop or print-on-demand website.
